

ARK PUTNEY ACADEMY

COVID catch up funding 2020/1

The Covid catch up fund provided by the government totals £45K

The Academy uses the funding to support students and close the identified learning gap from the period of lock down in Spring/Summer 2020.

Strategy	Costs	Likely Impact
1. Graduate teaching assistant in Maths and English to provide small group tutoring and 1 to 1 within the school day, after school and holidays.	30K (one post provided by Ark)	Closing the gap regarding attainment in the core subjects Raising self- esteem of students who are concerned about being left behind Enable APA to meet targets for year 11 Close attainment gap in year 9
2. Specialist English Teacher 1 day per week	£8K	Working with year 13 to provide extra support with coursework Working with KS3 students to close literacy gap
3. Extra revision books/learning platforms for students in Year 11	£7K	Students to be able to access revision materials to address emerging gap in specific subjects
